Melbourne's annual festival of all things magical gets under way on July 4, with some of Australia's best magicians appearing (and disappearing) at the Northcote Town Hall.

Melbourne Magic Festival was launched four years ago by The Australian Institute of Magic and

Be enchanted by Melbourne Magic Festival

has already grown into the largest festival of its kind in the Southern Hemisphere.

Highlights of this year's program include shows from the star of Channel Nine's *The Real Hustle*, Nicholas J. Johnson; Channel Nine's *Kids WB* resident magician, Anthony 'Magic Tony' DeMasi (in three different shows);

internationally renowned illusionists Ellis and Webster; and the world's greatest close-up magician, the astonishing Boris Wild, direct from Paris!

This year sees the first ever FISM Oceania Magic Championships with the winners representing Australia at The World Championships of Magic in the UK

next year. The search for Australia's next young magician continues as The Australian Junior Magic Championships return with bigger prizes than ever.

Other events include classes in sleight-of-hand for adults, magic school for kids, the famous Tim Credible Magic Shop on location for the entire festival, plus

amazing 3D projections after dark!

Events are individually priced and organisers have kept ticket prices as low as possible. The average ticket price is \$15 and most shows offer great value family tickets and huge group discounts for 10 or more. One show is free!
